The City Council of the City, as agent of such Local Improvement District No. 161, established by Ordinance No. 1785, has caused this bond to be issued in the name of the City as the bond of such local improvement district, the bonds or the proceeds thereof to be used to pay so much of the cost and expense of installing underground electrical utility transmission lines, underground telephone transmission lines, traffic signal systems, sidewalks, and landscaping within the area 100 feet on each side of the centerline of Northeast Eighth Street in the City of Bellevue, between 100th Avenue Northeast and 108th Avenue Northeast, as provided by Ordinance No. 1785, as is levied and assessed against the property included in the local improvement district and benefited by that improvement, and the "Local Improvement Fund, District No. 161," has been established by ordinance for that purpose. This bond is payable on September 15, 1987, but is subject to call by the Treasurer of the City for prior redemption whenever there shall be sufficient money in the "Local Improvement Fund, District No. 161," to pay the same and all unpaid bonds of the issue of which this bond is one, which are prior to this bond, in numerical order, over and above amounts sufficient for the payment of the interest on all unpaid bonds of this issue. The call for payment of this bond, or any bond of this issue of which this is one, shall be made by the Treasurer of the City by publishing the same once in the official newspaper of the City not less than ten nor more than twenty days prior to the call date, and when such call is made for the payment of this bond, it will be paid on the day the next interest coupon thereon shall become due after that call and upon that day interest upon this bond shall cease and any remaining coupons shall be void.

IT IS HEREBY CERTIFIED, Recited and Delcared that all acts, conditions and things required to be done precedent to and in the levying of such special taxes or assessments and the issuance of these bonds have been properly done, have happened and have been performed in regular and due form, as required by law; and that these bonds have not been issued in an amount in excess of the cost of the improvement.
