

CITY OF BELLEVUE, WASHINGTON

ORDINANCE NO. 322

AN ORDINANCE regulating the opening and restoration of streets; requiring permits and setting fees; amending Sections 8 and 9 and repealing Sections 11, 12, 13, 14, 15 and 19, of Ordinance No. 151.

THE CITY COUNCIL OF THE CITY OF BELLEVUE DO ORDAIN AS FOLLOWS:

Section 1. Section 8 of Ordinance No. 151, passed by the City Council on March 13, 1956, be and the same is hereby amended to read as follows:

"Section 8. STREET BACKFILLING AND RESTORATION. The permittee shall furnish and lay a bed, for any pipe, cable, sleeve or tunnel installed in the street, of a material specified by the City Engineer, to a point six inches (6") above the top of such installation, or to such other point specified in the permit. The remainder of the backfill shall be accomplished and compacted by the permittee as directed by the City Engineer. All excavations and installations shall, immediately prior to the commencement of the backfill, be subject to inspection and approval by the City Engineer. The surface of the street shall be restored by the city. All portions of a trench lying below that portion of a street paved or otherwise improved for vehicular traffic shall be back filled with sand or other material approved by the Engineer. Where the permit does not authorize the use of any portion of the excavated material, the excavated material shall be removed from the street by the permittee."

Section 2. Section 9 of Ordinance No. 151, be and the same is hereby amended to read as follows:

"Section 9. PERMIT FEES. Permits required hereunder, specifying the authorized work, shall be issued by the City Engineering Department upon proper application therefor and upon advance payment of the fees required, to-wit:

(a) Street Excavation	\$ 6.00
