Section 3. Registration, Exchange and Payments.

(a) *Registrar/Bond Register.* The City hereby adopts the system of registration approved by the Washington State Finance Committee, which utilizes the fiscal agency of the State of Washington in New York, New York, as registrar, authenticating agent, paying agent and transfer agent (collectively, the "Bond Registrar"). The Bond Registrar shall keep, or cause to be kept, at its principal corporate trust office, sufficient records for the registration and transfer of the Bonds (the "Bond Register"), which shall be open to inspection by the City. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this Ordinance and to carry out all of the Bond Registrar's powers and duties under this Ordinance. The Bond Registrar shall be responsible for its representations contained in the Certificate of Authentication on the Bonds.

(b) *Registered Ownership.* The City and the Bond Registrar may deem and treat the Registered Owner of each Bond as the absolute owner for all purposes, and neither the City nor the Bond Registrar shall be affected by any notice to the contrary. Payment of any such Bond shall be made only as described in Section 3(h) hereof, but such registration may be transferred as herein provided. All such payments made as described in Section 3(h) shall be valid and shall satisfy the liability of the City upon such Bond to the extent of the amount or amounts so paid.

(c) *DTC Acceptance/Letter of Representations.* The Bonds shall initially be held in fully immobilized form by DTC acting as depository. To induce DTC to accept the Bonds as eligible for deposit at DTC, the City has executed and delivered to DTC a Blanket Issuer Letter of Representations (the "Letter of Representations").

Neither the City nor the Bond Registrar will have any responsibility or obligation to DTC participants or the persons for whom they act as nominees with respect to the Bonds for the accuracy of any records maintained by DTC or any DTC participant, the payment by DTC or any DTC participant of any amount in respect of the principal or interest on Bonds, any notice that is permitted or required to be given to Registered Owners under this Ordinance (except such notices as shall be required to be given by the City to the Bond Registrar or to DTC), the selection by DTC or any DTC participant of any person to receive payment in the event of a partial redemption of the Bonds, or any consent given or other action taken by DTC as the Registered Owner. For so long as any Bonds are held in fully immobilized form hereunder, DTC or its successor depository shall be deemed to be the Registered Owner for all purposes, and all references in that ordinance to the Registered Owners shall mean DTC or its nominee and shall not mean the owners of any beneficial interest in any Bonds.

(d) *Use of Depository.*

(i) The Bonds shall be registered initially in the name of CEDE & Co., as nominee of DTC, with a single Bond for each maturity of a series in a denomination equal to the total principal amount of such maturity. Registered ownership of such immobilized Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute depository appointed by the City pursuant to subsection (ii) below or such substitute depository's successor; or (C) to any person as provided in subsection (iv) below.

(ii) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the City to discontinue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the City may appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(iii) In the case of any transfer pursuant to clause (A) or (B) of subsection (i) above, the Bond Registrar shall, upon receipt of all outstanding Bonds, together with a written request on behalf of the City, issue a single new Bond for each maturity then outstanding, registered in the name of such successor or substitute depository, or its nominee, all as specified in such written request of the City.

(iv) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository

can be obtained, or (B) the City determines that it is in the best interest of the beneficial owners of the Bonds that the Bonds be provided in certificated form, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held in fully immobilized form. The City shall deliver a written request to the Bond Registrar, together with a supply of definitive Bonds in certificated form, to issue Bonds in any authorized denomination. Upon receipt by the Bond Registrar of all then outstanding Bonds together with a written request on behalf of the City to the Bond Registrar, new Bonds shall be issued in the appropriate denominations and registered in the names of such persons as are provided in such written request.

(e) *Transfer or Exchange of Registered Ownership; Change in Denominations.* The registered ownership of any Bond may be transferred or exchanged, but no transfer of any Bond shall be valid unless it is surrendered to the Bond Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Bond Registrar. Upon such surrender, the Bond Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee, a new Bond (or Bonds at the option of the new Registered Owner) of the same date, maturity and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and canceled Bond. Any Bond may be surrendered to the Bond Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date, maturity, series and

interest rate, in any authorized denomination. The Bond Registrar shall not be obligated to transfer or exchange any Bond during a period beginning at the opening of business on the 15th day of the month next preceding any interest payment date and ending at the close of business on such interest payment date, or, in the case of any proposed redemption of the Bonds, after the mailing of notice of the call of such Bonds for redemption.

(f) *Bond Registrar's Ownership of Bonds.* The Bond Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Bond Registrar, and to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as member of, or in any other capacity with respect to, any committee formed to protect the rights of the Registered Owners of the Bonds.

(g) *Registration Covenant.* The City covenants that, until all Bonds have been surrendered and canceled, it will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code.

(h) *Place and Medium of Payment.* Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. For so long as all Bonds are in fully immobilized form, payments of principal and interest shall be made as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event that the Bonds are no longer in fully immobilized form, interest on the Bonds shall be paid by check or draft mailed to the Registered Owners at the addresses for such Registered Owners appearing on the Bond Register on the 15th day of the month preceding the interest payment date, and

principal of the Bonds shall be payable upon presentation and surrender of such Bonds by the Registered Owners at the principal office of the Bond Registrar; provided, however, that if so requested in writing by the Registered Owner of at least \$1,000,000 principal amount of Bonds, interest will be paid by wire transfer on the date due to an account with a bank located within the United States.

Section 4. Redemption; Purchases.

(a) *Optional Redemption.* The Series 2003A Bonds are not subject to redemption prior to maturity. The Series 2003B Bonds maturing on July 1, 2014, are subject to redemption prior to maturity at the option of the City in whole or in part on any date on or after July 1, 2013, at par, plus accrued interest to the date of redemption. If less than a whole of a maturity is called for redemption, the Series 2003B Bonds to be redeemed shall be chosen by lot in integral multiples of \$5,000 by the Bond Registrar or, so long as the Series 2003B Bonds are registered in the name of Cede & Co. or its registered assign, according to the operational arrangements of DTC, as then in effect.

(b) *Partial Redemption.* If less than all of the principal amount of any Series 2003B Bond is redeemed, upon surrender of such Series 2003B Bond at the principal office of the Bond Registrar, there shall be issued to the registered owner, without charge, for the then unredeemed balance of the principal amount, a new Series 2003B Bond or Series 2003B Bonds, at the option of the registered owner, of like maturity and interest rate in any authorized denomination.

(c) *Notice of Redemption.* Written notice of any redemption of Series 2003B Bonds shall be given by the Bond Registrar on behalf of the City by first class mail, postage prepaid, not less than 30 days nor more than 60 days before the redemption

date to the registered owners of Series 2003B Bonds that are to be redeemed at their last addresses shown on the Bond Register. So long as the Series 2003B Bonds are in book-entry form, notice of redemption shall be made according to the operational arrangements of DTC, as then in effect. The Bond Registrar shall provide additional notice of redemption (at least 30 days) to each NRMSIR and SID, if any, in accordance with Section 16.

The requirements of this section shall be deemed complied with when notice is mailed, whether or not it is actually received by the owner.

Each notice of redemption shall contain the following information: (1) the redemption date, (2) the redemption price, (3) if less than all outstanding Series 2003B Bonds are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the Series 2003B Bonds to be redeemed, (4) a statement that on the redemption date the redemption price will become due and payable upon each Series 2003B Bond or portion called for redemption, and that interest shall cease to accrue from the redemption date, (5) a statement that the Series 2003B Bonds are to be surrendered for payment at the principal office of the Bond Registrar, (6) the CUSIP numbers of all Series 2003B Bonds being redeemed, (7) the dated date of the Series 2003B Bonds, (8) the rate of interest for each Series 2003B Bond being redeemed, (9) the date of the notice, and (10) any other information needed to identify the Series 2003B Bonds being redeemed.

Upon the payment of the redemption price of Series 2003B Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the

CUSIP number identifying, by issue and maturity, the Series 2003B Bonds being redeemed with the proceeds of such check or other transfer.

(d) *Effect of Redemption.* Unless the City has revoked a notice of redemption, the City shall transfer to the Bond Registrar amounts that, in addition to other money, if any, held by the Bond Registrar, will be sufficient to redeem, on the redemption date, all the Bonds to be redeemed. From the redemption date interest on each Bond to be redeemed shall cease to accrue.

(e) *Amendment of Notice Provisions.* The foregoing notice provisions of this section, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes in order to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.

(f) *Purchase by City.* The City reserves the right to purchase any of the Bonds at any time and at any price.

Section 5. Creation of Bond Accounts and Provision for Tax Levy Payments.

The "Interest and Debt Redemption Regular Levy Fund" (the "Debt Service Fund") has heretofore been established.

(a) *Series 2003A Bond Account.* A special account of the City known as the "Unlimited Tax General Obligation Bond Redemption Account, 2003" (the "Series 2003A Bond Account"), is hereby authorized to be created in the Debt Service Fund of the City. The Series 2003A Bond Account shall be drawn upon for the sole purpose of paying the principal of and interest on the Series 2003A Bonds. The taxes hereafter

levied for the purpose of paying principal of and interest on the Series 2003A Bonds and other funds to be used to pay the Series 2003A Bonds shall be deposited in the Series 2003A Bond Account no later than the date such funds are required for the payment of principal of and interest on the Series 2003A Bonds. Money in the Series 2003A Bond Account not needed to pay the interest or principal next coming due on the Series 2003A Bonds may temporarily be deposited in such institutions or invested in such obligations as may be lawful for the investment of City money. Any interest or profit from the investment of such money shall be deposited in the Series 2003A Bond Account.

The City hereby irrevocably covenants that, unless the principal of and interest on the Series 2003A Bonds are paid from other sources, it will make annual levies of taxes without limitation as to rate or amount upon all property in the City subject to taxation in amounts sufficient to pay such principal and interest as the same shall become due. The full faith, credit and resources of the City are hereby irrevocably pledged for the annual levy and collection of such taxes and for the prompt payment of such principal and interest.

(b) *Series 2003B Bond Account.* A special account of the City known as the "Limited Tax General Obligation Bond Redemption Account, Series 2003B" (the "Series 2003B Bond Account"), is hereby authorized to be created in the Debt Service Fund of the City. The Series 2003B Bond Account shall be drawn upon for the sole purpose of paying the principal of and interest on the Series 2003B Bonds.

The City hereby irrevocably covenants for as long as any of the Series 2003B Bonds are outstanding and unpaid that each year it will include in its budget and pay

into the Series 2003B Bond Account (on or before the date due) an amount that will be sufficient to pay the principal of and interest on the Series 2003B Bonds as the same shall become due. None of the money in the Series 2003B Bond Account shall be used for any other purpose than the payment of the principal of and interest on the Series 2003B Bonds. Money in the Series 2003B Bond Account not needed to pay the interest or principal next coming due may temporarily be deposited in such institutions or invested in such obligations as may be lawful for the investment of City money. Any interest or profit from the investment of such money shall be deposited in the Series 2003B Bond Account.

The City hereby irrevocably pledges that, to the extent it does not have other sufficient funds to repay the Series 2003B Bonds, it will levy an ad valorem tax upon all the property within the City subject to taxation, within and as a part of the tax levy permitted to cities without a vote of the people, in an amount sufficient to repay the Series 2003B Bonds. A sufficient portion of each annual levy to be levied and collected by the City prior to the full payment of the principal of and interest on the Series 2003B Bonds will be and is hereby irrevocably set aside, pledged and appropriated for the payment of the principal of and interest on the Series 2003B Bonds. The full faith, credit and resources of the City are hereby irrevocably pledged for the annual levy and collection of such taxes and for the prompt payment of the principal of and interest on the Series 2003B Bonds as the same shall become due.

Section 6. Defeasance. In the event that money and/or "Government Obligations," as such Obligations are now or may hereafter be defined in Chapter 39.53 RCW, maturing at such time or times and bearing interest to be earned thereon in

amounts sufficient to redeem and retire the Bonds or a portion of the Bonds in accordance with their terms, are set aside in a special account to effect such redemption or retirement and such money and the principal of and interest on such Obligations are irrevocably set aside and pledged for such purpose, then no further payments need be made into the applicable Bond Account for the payment of the principal of and interest on the Bonds so provided for and such Bonds shall cease to be entitled to any lien, benefit or security of this Ordinance except the right to receive the funds so set aside and pledged, and such Bonds shall be deemed not to be outstanding hereunder. Within 30 days of any defeasance of Bonds, the City shall provide notice of defeasance of Bonds to registered owners and to each NRMSIR and SID, if any, in accordance with Section 16.

Section 7. Tax Covenant. The City covenants to undertake all actions required to maintain the tax-exempt status of interest on the Bonds under Section 103 of the Code as set forth in the Arbitrage and Tax Certification that will be executed at the closing of the Bonds.

The City has not designated the Bonds as "qualified tax-exempt obligations" under Section 265(b)(3) of the Code for banks, thrift institutions and other financial institutions.

Section 8. Lost or Destroyed Bonds. If any Bonds are lost, stolen or destroyed, the Bond Registrar may authenticate and deliver a new Bond or Bonds of like amount, maturity, series and tenor to the Registered Owner upon the owner's paying the expenses and charges of the Bond Registrar and the City in connection with preparation and authentication of the replacement Bond or Bonds and upon his or her

filing with the Bond Registrar and the City evidence satisfactory to both that such Bond or Bonds were actually lost, stolen or destroyed and of his or her ownership, and upon furnishing the City and the Bond Registrar with indemnity satisfactory to both.

This bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Ordinance until the Certificate of Authentication hereon shall have been manually signed by the Bond Registrar.

Portions of the principal sum of this bond in installments of \$5,000 or any integral multiple thereof may also be redeemed, and if less than all of the principal sum hereof is to be redeemed, upon the surrender of this bond at the principal office of the Bond Registrar there shall be issued to the registered owner, without charge therefor, for the then unredeemed balance of the principal sum hereof, at the option of the owner, a bond or bonds of like maturity, series and interest rate in any of the denominations authorized by the Bond Ordinance.]

The City agrees to cooperate with the Underwriter to deliver or cause to be delivered, within seven business days from the date of the sale of the Bonds and in sufficient time to accompany any confirmation that requests payment from any customer of the

Underwriter, copies of a final official statement in sufficient quantity to comply with paragraph (b)(4) of the Rule and the rules of the MSRB. Section 16. Undertaking to Provide Ongoing Disclosure.

A. Contract/Undertaking. This section constitutes the City's written undertaking for the benefit of the owners of the Bonds as required by Section (b)(5) of the Rule.

B. Financial Statements/Operating Data. The City agrees to provide or cause to be provided to each NRMSIR and to the SID, if any, in each case as designated by the SEC in accordance with the Rule, the following annual financial information and operating data for the prior fiscal year (commencing in 2004 for the fiscal year ended December 31, 2003):

1. Annual financial statements, which statements may or may not be audited, showing ending fund balances for the City's general fund, prepared in accordance with the Budget Accounting and Reporting System prescribed by the Washington State Auditor pursuant to RCW 43.09.200 (or any successor statute) and

generally of the type included in the official statement for the Bonds under the heading "TABLE 8: General Fund Statement of Revenues, Expenditures and Changes in Fund Balance."

2. The assessed valuation of taxable property in the City;
3. Property tax levy rate per \$1,000 of assessed valuation;
4. Outstanding general obligation debt of the City; and
5. Ad valorem taxes due and percentage of taxes collected.

Items 2-5 shall be required only to the extent that such information is not included in the annual financial statement.

Such annual information and operating data described above shall be provided on or before nine months after the end of the City's fiscal year. The City's current fiscal year ends December 31. The City may adjust such fiscal year by providing written notice of the change of fiscal year to each then existing NRMSIR and the SID, if any. In lieu of providing such annual financial information and operating data, the City may cross-reference to other documents provided to the NRMSIR, the SID or to the SEC and, if such document is a final official statement within the meaning of the Rule, available from the MSRB.

If not provided as part of the annual financial information discussed above, the City shall provide the City's audited annual financial statement prepared in accordance with the Budget Accounting and Reporting System prescribed by the Washington State Auditor pursuant to RCW 43.09.200 (or any successor statute) when and if available to each then existing NRMSIR and the SID, if any.

C. Material Events. The City agrees to provide or cause to be provided, in a timely manner, to the SID, if any, and to each NRMSIR or to the MSRB notice of the occurrence of any of the following events with respect to the Bonds, if material:

2. Non-payment related defaults;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers or their failure to perform;
6. Adverse tax opinions or events affecting the tax-exempt status of the Bonds;
7. Modifications to the rights of Bond holders;
8. Bond calls (optional, contingent or unscheduled Bond calls other than scheduled sinking fund redemptions for which notice is given pursuant to Exchange Act Release 34-23856);
9. Defeasances;
10. Release, substitution or sale of property securing repayment of the Bonds; and
11. Rating changes.

Solely for purposes of disclosure, and not intending to modify this undertaking, the City advises that no debt service reserves or property secure payment of the Bonds.

D. Notification Upon Failure to Provide Financial Data. The City agrees to provide or cause to be provided, in a timely manner, to each NRMSIR or to the MSRB and to the SID, if any, notice of its failure to provide the annual financial information described in Subsection B above on or prior to the date set forth in Subsection B above.

E. Termination/Modification. The City's obligations to provide annual financial information and notices of material events shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. This section, or any provision hereof, shall be null and void if the City (1) obtains an opinion of nationally recognized bond counsel to the effect that those portions of the Rule which require this section, or any such provision, are invalid, have been repealed retroactively or otherwise do not apply to the Bonds; and (2) notifies each then existing NRMSIR and the SID, if any, of such opinion and the cancellation of this section.

Notwithstanding any other provision of this Ordinance, the City may amend this Section 16, and any provision of this Section 16 may be waived with an approving opinion of nationally recognized bond counsel in accordance with the Rule.

In the event of any amendment of this Section 16, the City shall describe such amendment in the next annual report, and shall include, as applicable, a narrative explanation of the reason for the amendment and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a material event under subsection C, and (ii) the annual report for the year in which the change is made should present a

comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

F. Bond Owner's Remedies Under This Section. The right of any Bondowner or beneficial owner of Bonds to enforce the provisions of this section shall be limited to a right to obtain specific enforcement of the City's obligations hereunder, and any failure by the City to comply with the provisions of this undertaking shall not be an event of default with respect to the Bonds. For purposes of this section, "beneficial owner" means any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds, including persons holding Bonds through nominees or depositories.

Section 17. General Authorization; Ratification of Prior Acts. The Director of Finance and other appropriate officers of the City are authorized to take any actions, including approval of the Preliminary Official Statement, and to execute documents as in their judgment may be necessary or desirable in order to carry out the terms of, and complete the transactions contemplated by, this Ordinance. All acts taken pursuant to the authority of this Ordinance but prior to its effective date are hereby ratified.
