Section 4.40.045, and establishing an effective date.

THE CITY COUNCIL OF THE CITY OF BELLEVUE, WASHINGTON, DOES
ORDAIN AS FOLLOWS:

Section 1. Chapter 4.40 of the Bellevue City Code is hereby amended to
read as follows:

4.40.010 Examination of claims by city officials.

All claims presented to the city shall first be examined by the appropriate

further indicate the fund from which payment is to be made and whether the
appropriate funds are available.

4.40.020 Examination by finance director.

The finance director or his/her designee shall examine all claims presented to
him/her by the appropriate administrative officials of the city, and following said
examination shall take action as follows:

A. If s/he concurs in a finding of the appropriate administrative official that
a claim is just, due and owing, and if funds are available, and if funds are available
and if s/he further finds that payment of said claim would not be in violation of any
city ordinance, state statute or general law, s/he may authorize payment of the
same. Said authorization shall be sufficient for the honoring and payment of such
claim.

B. If s/he disagrees with a finding of the appropriate administrative official
of the city that a claim is just, due and owing, s/he shall so indicate in his/her report
to the city council. No voucher shall be approved or payment ordered on any claim
upon which the finance director or his/her designee shall have noted an objection
pending presentation thereof to the city council.

4.40.030 Finance director's report to city council.

The finance director or his/her designee shall periodically, as the city council may
designate, prepare a written report regarding his/her examination of claims. Such
report shall indicate the action taken on each claim presented, together with

such information thereon as may enable the city council to act upon all claims which have not been approved by the finance director or his/her designee.

4.40.040 Services of auditor.

Notwithstanding the foregoing, the mayor may contract for the services of a city council auditor pursuant to the provisions of RCW 35A.13.080(2), upon concurrence of the city council for the purpose of conducting non-routine audits of city officers and departments.
