ORDINANCE NO. 5634

AN ORDINANCE repealing Ordinance No. 4952 and implementing a new Electronic Home Detention Program which establishes standards for eligibility and authorizes a Pre-Trial Release component to the Electronic Home Detention Program for defendants awaiting trial or sentencing on charges of misdemeanor and gross misdemeanor violations of City ordinances; and authorizing the Chief of Police to place such defendants in the Program, in accordance with those standards.

WHEREAS, the City is responsible for the placement of defendants who are sentenced to jail for misdemeanor or gross misdemeanor violations of City ordinances in appropriate facilities for the duration of the sentence imposed by the Court; and

WHEREAS, the City is responsible for the placement of defendants who are awaiting sentencing or trial on charges of misdemeanor or gross misdemeanor violations of City ordinances in appropriate facilities if required; and

WHEREAS, the state legislature has determined that it is appropriate to place defendants who are committed to jail or who are awaiting sentencing or trial for certain criminal offenses in alternative programs that provide opportunities for rehabilitation, treatment, and continued employment, including "Work Release" programs, residential or outpatient treatment programs, and "Home Detention" programs; and

WHEREAS, electronic home detention programs offer a cost-effective method by which such offenders may serve their sentences or await their trials or sentencing, while offering the advantages of outpatient treatment for the offenders and the ability of the offenders to maintain or obtain gainful employment, thus enabling offenders to support their families, meet their financial obligations, and provide restitution to their victims when ordered to do so by the courts, while providing monitoring of the offenders' activities to ensure compliance with conditions imposed by the courts or conditions required for entry into the program; and

WHEREAS, many local jurisdictions have established and are successfully operating electronic home detention programs for misdemeanor and gross misdemeanor offenders; and

WHEREAS, pursuant to Ordinance 4952, the City has successfully established and operated an electronic home detention program for misdemeanor and gross misdemeanor offenders who have been sentenced by the court; and

WHEREAS, Ordinance 4952, does not establish an electronic home detention program for misdemeanor and gross misdemeanor offenders who are awaiting trial or sentencing by the court; and

WHEREAS, the City Council has determined that it is appropriate for certain defendants who are committed to jail for certain misdemeanor and gross misdemeanor offenses to serve their commitments in an electronic home detention program; and

WHEREAS, the City Council has determined that it is appropriate for certain defendants who are incarcerated awaiting trial or sentencing for certain misdemeanor and gross misdemeanor offenses to serve their incarceration in an electronic home detention program; and

WHEREAS, the City Council has determined that it is in the best interests of the residents of the City of Bellevue and the administration of justice in this community that the City provide for an Electronic Home Detention Program in the City; and

WHEREAS, the City Council has determined that it is in the best interests of the residents of the City of Bellevue and the administration of justice that such Electronic Home Detention Program includes detention for defendants awaiting trial or sentencing; and

WHEREAS, the City Council has determined it in the best interest of the City to repeal ordinance 4952 and to enact a new ordinance which will implement a new Electronic Home Detention Program that includes standards for eligibility and authorizes a Pre-Trial Release component to the Electronic Home Detention Program; now, therefore,

THE CITY COUNCIL OF THE CITY OF BELLEVUE, WASHINGTON, DOES ORDAIN AS FOLLOWS:
