CITY OF BELLEVUE, WASHINGTON

ORDINANCE NO. 6288

AN ORDINANCE amending the Bellevue City Code relating to the Sign Code, amending a portion of Chapter 22B.10 of the Bellevue City Code to ensure consistency with the Comprehensive Plan Update and improve clarity and usability, which includes the following amendments: modifying the requirement that an enterprise located within a high-rise building must occupy at least 180,000 net square feet and that corporate headquarters must occupy at least 120,000 square feet to place or maintain two signs on a high-rise building, providing for severability, and establishing an effective date.

WHEREAS, the Comprehensive Plan was originally adopted in 1993 and updated in August 2015; and

WHEREAS, the Comprehensive Plan previously discouraged high-rise signs in Downtown by only allowing them for hotels, motels and logos that are compatible with building design; and

WHEREAS, the Comprehensive Plan was updated to remove limitations on the types of uses that were permitted to have high-rise signs and maintain the public view by limiting the total number of signs and requiring compliance with design standards; and

WHEREAS, the Land Use Code Amendment would make high-rise signs a more accessible marketing and branding tool for building owners and tenants which supports the City Council's "Open for Business" vision and commitment to economic prosperity for all; and

WHEREAS, this amendment is a Comprehensive Plan consistency change that is exempt from the requirements of State Environmental Policy Act (SEPA), Chapter 43.21C RCW, and the City's Environmental Procedures Code, (Chapter 22.02 BCC); and

WHEREAS, the City Council finds that the proposed amendments are consistent with the Comprehensive Plan, enhance the public safety and welfare, and are not contrary to the best interest of the citizens and property owners of the City of Bellevue; now, therefore,
