

CITY OF BELLEVUE, WASHINGTON

ORDINANCE NO. 6696

AN ORDINANCE relating to the Business and Occupation Tax; increasing the rate of the tax; providing an effective date therefor; providing for a referendum procedure in accordance with the statute; and amending Bellevue City Code 4.09.050.

WHEREAS, Chapter 4.09 of the Bellevue City Code levies a tax upon every person for the act or privilege of engaging in business activities within the city, which tax is determined by application of rates given against certain criteria therein specified; and

WHEREAS, under RCW 35.21.710, the taxing authority granted to the City for taxes upon business activities measured by gross receipts or gross income from sales shall not exceed a rate of .0020; and

WHEREAS, the City's current Business and Occupation Tax rate on activities measured by gross proceeds of sale, gross income of business, and values of products, including byproducts, is .001496, leaving an unlevied tax rate capacity of .000504; and

WHEREAS, on December 4, 1989, the City Council adopted Ordinance 4094, reserving for Convention Center purposes .0001 from the City's unlevied Business and Occupation Tax rate capacity; and

WHEREAS, the City Council has determined it is in the best interests of the City and its residents to increase the Business and Occupation Tax rate in the City on activities measured by gross proceeds of sale, gross income of business, and values of products by .0001, which would result in a revised total Business and Occupation Tax rate of .001596, and leave an unlevied tax rate capacity of .000404; and

WHEREAS, the City Council seeks to reaffirm its intent to reserve for Convention Center purposes .0001 from the City's unlevied Business and Occupation Tax rate capacity; now, therefore,
