THE CITY COUNCIL OF THE CITY OF BELLEVUE, WASHINGTON, DOES ORDAIN AS FOLLOWS:

Section 1. Section 20.25E.100 of the Bellevue Land Use Code is hereby amended to read as follows:

20.25E.100 Review and appeal procedures.

...

B. Framework for Decisions.

1. **Shoreline Project Decisions on Permits, Approvals, and Exemptions.**
Shoreline decisions are divided into three processes based on who makes the decision, the amount of discretion exercised by the decision maker, the level of potential impact associated with the decision, the amount and type of public input sought, and the type of appeal available. Shoreline

project decisions do not include legislative nonproject actions taken by the City Council and described in subsection B.2 of this section.

- a. Shoreline Process I decisions are quasi-judicial decisions made by the Hearing Examiner. A petition for review (appeal opportunity) is provided to the State Shoreline Hearings Board. Shoreline Conditional Use Permits are a Shoreline Process I decision.

...

C. General Procedures Applicable to All Shoreline Project Decisions.

...

- 7. Recommendations and Decisions of the City – Written Record Required. Any recommendation or decision of the Director or Hearing Examiner on a shoreline project application shall be provided in writing. The record may be in the form of a staff report, letter, the permit itself, ordinance, or other written document, and shall indicate whether the application has been approved, approved with conditions, or denied. Any recommendation or decision of the City shall be based on the decision criteria for the applicable shoreline project permit, shall include any conditions necessary to ensure consistency with the SMA, the SMP, and City development regulations, and may include any mitigation measures proposed under the provisions of SEPA.

...

D. Notice Procedures Applicable to Shoreline Project Decisions.

- 1. Notice of Application. Notice of application for shoreline decisions shall be provided within 14 days of issuance of a notice of completeness as required by Table 20.25E.100.D.1:

Section 2. Section 20.25E.110 of the Bellevue Land Use Code is hereby amended as follows:

Amend subsection (A) to read as follows:

A. Process Described.

1. **Applicable Code Section.** This section contains procedures the City will use in processing a Shoreline Process I decision. The specific Shoreline Process I procedures are in addition to the general procedures applicable to all shoreline project decisions contained in LUC 20.25E.100.
2. **Type of Decision.** Decisions on a Shoreline Process I application are quasi-judicial decisions made by the City Hearing Examiner based on a recommendation from the Director. This process begins with a complete application, followed by notice to the public of the application and a public comment period, during which time a public meeting will be held. The Director then makes a recommendation based upon the decision criteria set forth in the code for the applicable shoreline permit.
3. **Incorporation of SEPA Threshold Determination.** If required by the State Environmental Policy Act (SEPA), a threshold determination associated

with a Shoreline Process I decision shall be issued by the Environmental Coordinator as a Land Use Process II decision pursuant to LUC 20.35.230 with an opportunity for appeal to the Hearing Examiner pursuant to LUC 20.35.250. The threshold determination should be issued in conjunction with issuance of the Director's recommendation on the application. If an Environmental Impact Statement (EIS) is required, however, the threshold determination will be issued early and the EIS will be completed before issuance of the Director's recommendation. If the requirement to prepare an EIS or a supplemental EIS is appealed by the applicant, that appeal will be resolved prior to issuance of the Director's recommendation.

4. Hearing Examiner Public Hearing. Following issuance of the Director's recommendation, a public hearing will be held before the City Hearing Examiner. If a SEPA Determination of Nonsignificance (DNS) was issued (no EIS required) pursuant to LUC 20.35.230 and an appeal of the DNS filed pursuant to LUC 20.35.250, the appeal hearing on the DNS will be combined with the public hearing on the Director's recommendation. Following the public hearing, the Hearing Examiner will issue a written report which will set forth a decision to approve, approve with modifications, or deny the Shoreline Process I application. The Examiner's report will also include a final City decision on any DNS or other nonshoreline appeal consolidated with the Shoreline Process I permit as described in LUC 20.25E.100.C.8.
5. Shoreline Process I Decision – When the City Decision is Final. When a decision is made to approve, conditionally approve, or deny an application, the applicant shall be notified. Shoreline Process I decisions are final upon issuance of the Hearing Examiner's written decision on the application.

Amend subsection (F) to read as follows:

F. Hearing Examiner Decision on Shoreline Process I Applications.

1. Decision. The Hearing Examiner shall approve a project or approve with modifications if the applicant has demonstrated that the proposal complies with the decision criteria for the applicable shoreline permit. The applicant carries the burden of proof and must demonstrate that a preponderance of the evidence supports the conclusion that the application merits approval or approval with modifications. In all other cases, the Hearing Examiner shall deny the application.
2. Limitation on Modification. If the Hearing Examiner requires a modification which results in a proposal not reasonably foreseeable from the description of the proposal contained in the public notice provided

pursuant to LUC 20.25E.100.D, the Hearing Examiner shall conduct a new hearing on the proposal as modified.

3. Conditions. The Hearing Examiner may include conditions to ensure that a proposal conforms to the relevant decision criteria.
4. Written Decision of the Hearing Examiner. The Hearing Examiner shall within 10 working days following the close of the record distribute a written report supporting the decision. The report shall contain the following:
 - a. The decision of the Hearing Examiner on the Shoreline Process I Permit and any nonshoreline appeals consolidated with the permit; and
 - b. Any conditions included as part of the decision; and
 - c. Findings of fact upon which the decision, including any conditions, was based and the conclusions derived from those facts.
5. Distribution. The Office of the Hearing Examiner shall mail the written decision, bearing the date it is mailed, to each person who participated in the public hearing.
6. Effect of Hearing Examiner Decision. The decision of the Hearing Examiner on the application is the final decision of the City and shall be filed with the state pursuant to LUC 20.25E.150.D.

Delete subsection (G), included below, in its entirety:

G. Appeal of Hearing Examiner Shoreline Process I Decision to City Council.

1. The Hearing Examiner's decision on a Shoreline Process I application may be appealed to the City Council as follows:
 - a. Who May Appeal. The decision of the Hearing Examiner may be appealed by any person who participated in the public hearing as provided for in subsection E.1 of this section, or by the applicant or the City.

- c. Time and Place to Appeal. The written statement of appeal, the appeal notification form, and the appeal fee, if any, must be received by the City Clerk no later than 14 days following the date the decision of the Hearing Examiner was mailed.
- d. Hearing Required. The City Council shall conduct a closed record appeal hearing in order to decide upon an appeal of the decision of the Hearing Examiner. The decision on any such appeal shall be made within such time as is required by applicable state law.
- e. Public Notice of Appeal Hearing.

- f. Closed Record Hearing on Appeal to City Council.
 - i. Who May Participate. The applicant, the appellant, the Director, or representative of these parties may participate in the appeal hearing.
 - ii. How to Participate. A person entitled to participate may participate in the appeal hearing by:
 - (1) Submitting written argument on the appeal to the City Clerk no later than the date specified in the City Council's Rules of Procedure; or
 - (2) Making oral argument on the appeal to the City Council at the appeal hearing. Argument on the appeal is limited to information

contained in the record developed before the Hearing Examiner and must specify the findings or conclusions which are the subject of the appeal, as well as the relief requested from the Council.

iii. Hearing Record. The City Council shall make an electronic sound recording of each appeal hearing.

g. City Council Decision on Shoreline Process I Appeals.

i. Decision. The City Council may grant the appeal or grant the appeal with modifications if the appellant has carried the burden of proof and the City Council finds that the decision of the Hearing Examiner is not supported by material and substantial evidence. In all other cases, the appeal shall be denied. The City Council shall accord substantial weight to the decision of the Hearing Examiner.

ii. Conditions. The City Council may impose conditions as part of the granting of an appeal or granting of an appeal with modifications to ensure conformance with the criteria under which the application was made.

iii. Ordinance Resolving Appeal. The City Council shall adopt an ordinance supporting the decision. The ordinance shall contain the following:

(1) The decision of the City Council;

(2) Any conditions included as part of the decision;

(3) Findings of fact and conclusions of law which support its decision on the appeal; and

(4) A statement explaining the process to file a Petition for Review of the City Council decision to the Shoreline Hearings Board.

iv. Required Vote. A vote to grant the appeal or grant the appeal with modifications must be by a majority vote of the membership of the City Council. Any other vote constitutes denial of the appeal.

2. Effect of City Council Decision. The decision of the City Council on a Shoreline Process I application is the final decision of the City, and shall be filed with the state pursuant to LUC 20.25E.150.D.
