

CITY OF BELLEVUE, WASHINGTON

RESOLUTION NO. 10310

A RESOLUTION determining that the entirety of one water easement and a portion of a second water easement, both located at 15600 NE 8th Street, are surplus to the City's needs and are no longer required for providing continued public utility service; and setting a time and place for a public hearing to consider the release of these easements.

WHEREAS, on August 12, 1963, the King County Water District No. 97 was granted a water easement on the property located at 15600 NE 8th Street in Bellevue, Washington, bearing King County Recording No. 5747238; and

WHEREAS, on April 28, 1964, the King County Water District No. 97 was granted a second water easement on the property located at 15600 NE 8th Street in Bellevue, Washington, bearing King County Recording No. 5735884; and

WHEREAS, in the 1970's the City assumed control of King County Water District No. 97, including all assets, real property, and easements; and

WHEREAS, the owner of the property subject to the easements has requested the City release the entirety of the easement bearing Recording No. 5735884 (as legally described in and depicted on Attachment A) and a portion of the easement bearing Recording No. 5747238 (as legally described in and depicted on Attachment B). These easements are no longer needed because the old water line will be replaced and new easements will be granted to the City for the new water line; and

WHEREAS, the Bellevue Utilities Department has verified and confirmed that the aforementioned easements are no longer required to provide continued public utility services; and

WHEREAS, based on the foregoing, the existing easements (as legally described in and depicted on Attachments A and B) are no longer needed by the City and are otherwise surplus property interest; and

WHEREAS, pursuant to Bellevue City Code 4.23.070 and RCW 35.94.040, the City Council desires to set a time and place for a public hearing to consider the release of said easements; now, therefore,

THE CITY COUNCIL OF THE CITY OF BELLEVUE, WASHINGTON, DOES RESOLVE AS FOLLOWS:
