Res.1056

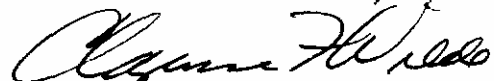

Section 2. That the area described in Section 1 hereof shall be improved by the construction and installation of N.E. 4th Street from 108th Avenue N.E. to 114th Drive N.E., by paving the same with asphalt cement concrete (commonly referred to as "plant mix"), including the securing of necessary easements and rights-of-way, and including grading, regrading, filling, compacting, ballasting, surfacing and draining, and the installation of curbs, gutters, curb inlets, storm sewers, crosswalks, and other appurtenances consistent with good street construction. The right-of-way shall be sixty feet wide, and the traveled way shall be forty-four feet wide, except easterly of 108th Avenue N.E. in the transition area where the right-of-way shall be eighty-five feet wide. All of the foregoing shall be in accordance with plans and specifications to be submitted by the City Engineer.

Section 3. All of the cost and expense in connection with the installation and construction of said improvement, including the estimated cost and expense of: (a) The improvement within street intersections. (b) All engineering and surveying necessary for the improvement, whether done under the supervision of the City Engineer or otherwise. (c) All legal work and opinions incidental thereto. (d) Ascertaining the ownership of lots or parcels of land included within the assessment district. (e) Appraisals. (f) Advertising, mailing, posting and publishing all necessary notices. (g) Accounting, clerical labor and of books and blanks, extended or used on the part of the City Clerk or Treasurer in connection with the improvement. (h) Acquisition of rights-of-way, property, easement and other facilities or rights-of-way, and all other expenses incidental hereto as required or provided by law of the State of Washington and ordinances of the City of Bellevue shall be allocated to and borne by the properties within the improvement district, in accordance with the special benefits conferred, and the costs assessed against the individual lots in accordance with the statutory zone and termini method. PROVIDED HOWEVER, that the City shall pay fifty per cent (50%) of the cost of this improvement. The City's portion of the cost of such improvement, as provided above, shall be paid from the proceeds of the sale of Street Improvement Bonds, sale of which was heretofore authorized by Ordinance No. 431, passed by the City Council on February 14, 1961, and also from the proceeds of the sale of General Obligation Street Improvement Bonds, 1964, sale of which was heretofore authorized by Ordinance No. 645, passed by the City Council on April 7, 1964. The improvement shall be paid for under the mode of "Payment by Bonds," by means of assessments against the various properties as aforesaid, all as provided by statute and ordinance for local improvement districts.

Section 4. That all persons who may desire to object thereto are hereby notified to appear and present such objections at a meeting of the City Council, or a committee thereof, to be held in the Municipal Building of the City, 111 - 116th Avenue S.E., Bellevue, Washington, at 8:05 o'clock P.M., Daylight Saving Time, on the 7th day of July, 1964, which time and place is hereby fixed for hearing all matters relating to said proposed improvement, and all objections thereto, and for determining the method of payment for said improvement.

Section 5. That the City Manager shall submit to the City Council at or prior to said date, all data and information required by law to be submitted.

PASSED by the City Council this 19th day of May, 1964, and signed in authentication of its passage this 19th day of May, 1964.
