CITY OF BELLEVUE, WASHINGTON

RESOLUTION NO. 5321

A RESOLUTION relating to implementation of the Growth Management Act of 1990 and the provision of state funds for such implementation.

WHEREAS, the 1990 Washington State Legislature passed an Act dealing with Growth Management (HB 2929) which requires all jurisdictions in King County to prepare comprehensive plans consistent with new guidelines; and

WHEREAS, the Act requires that jurisdictions prepare these plans in cooperation with their neighbors and with King County; and

WHEREAS, the Act assigns near term deadlines for the completion of 1) an inventory and regulations for the protection of resource lands and critical areas, 2) a process to identify an urban growth area, and 3) an assessment of land use data collection needs; and

WHEREAS, the Legislature appropriated \$7.4 million dollars for each year of the 1989-1991 biennium to assist the Department Of Community Development and local governments to comply with and implement the Act; and

WHEREAS, the Department of Community Development will provide approximately \$2.1 million dollars to a consortium of general purpose governments in King County provided that 60% of those governments representing 75% of the county's population agree to the grant distribution formula and to jointly develop and cooperatively implement a work program; and

WHEREAS, a technical committee of representatives from the City of Seattle, King County and Suburban Cities have prepared a draft work program (Attachment A), and a grant distribution formula (Attachment B); now, therefore

THE CITY COUNCIL OF THE CITY OF BELLEVUE, WASHINGTON, DOES RESOLVE AS FOLLOWS:

Section 1. To be eligible for a share of the Growth Management Act grant funds, the City agrees to:

a) designate the King County Planning Directors as the group which will manage the completion of the work program, receive regular briefings on the activities and progress of the technical forums, and coordinate preparation of the annual reports to the State Department of Community Development (Attachment C).

b) send a representative to and actively participate in a technical forum to accomplish the work program (Attachment A), specifically, the inventory and protection of resources and critical areas, the designation of an urban growth area, and creation of a countywide data sharing group.

c) the grant distribution formula (Attachment B), which is that every general purpose government in King County will receive a base amount of \$35,000 plus a per capita allocation based on the jurisdiction's proportional share of total county population.

d) designation of King County as the jurisdiction that will accept the grant funds from the Department of Community Development and disburse and administer those funds consistent with the provisions of this resolution including attachments.

e) submit a short written description of a high priority project which is unique to the City and upon which the jurisdiction intends to begin work in this funding year (September 1, 1990 to July 1, 1991).

f) complete the Growth Management Needs Assessment and return it to the State Department of Community Development by January 1, 1991, with a copy to the King County Planning Division.

PASSED by the City Council this 8th day of October, 1990, and signed in authentication of its passage this 8th day of October, 1990.
