

RESOLUTION NO. 678

A RESOLUTION, authorizing the filing of the application with the federal government for an advance (\$9,000.00) to provide for the planning of public works under the terms of Public Law 560, 83rd Congress of the United States, as amended.

This form of resolution was contained in government form of application for loan. Application for loan was prepared by R. W. Beck & Associates for city-wide drainage system study. For duplicate of application, see File No. 235.
