RESOLUTION NO. 726

A RESOLUTION authorizing filing of application with the United States of America for an advance to provide for the planning of public works under the terms of Public Law 560, 83rd Congress of the United States, as amended.

Passed February 11, 1958.

(Funds to be used for final design, preparation of assessment rolls, etc., for city-wide storm sewer drainage project. This resolution is contained in Housing and Home Finance Agency form of Application for advance for public works planning.)

See Resolution No. 729.
