Section 2. That the area described in Section 1 hereof shall be improved by the construction and installation of ~~N.E. 6th Street from 10th Avenue N.E. to 11th Avenue N.E., 110th Avenue N.E., from N.E. 6th Street to a point 215 feet south of the centerline of N.E. 8th Street, and~~ 112th Avenue N.E. from Main Street to N.E. 8th Street; by paving the same with asphalt cement concrete (commonly referred to as "plant mix"), including the securing of necessary easements and rights-of-way, and including grading, re-grading, filling, compacting, ballasting, surfacing and draining, and the installation of drain inlets, storm sewers and other appurtenances consistent with good street construction. The right-of-way shall be 60 feet wide, and the traveled way shall be 44 feet wide. All the foregoing shall be in accordance with plans and specifications to be submitted by the City Engineer.

Section 3. The right-of-way in each separate Unit shall either (1) be all donated to the City of Bellevue for street purposes by the property owners, at no cost whatsoever to the City and L.I.D., or (2) be all condemned by the City of Bellevue, with the cost thereof charged to that particular Unit of the said L.I.D.

Section 4. All of the cost and expense in connection with the installation and construction of said improvement, including the estimated cost and expense of (a) The improvement within street intersections. (b) All engineering and surveying necessary for the improvement, whether done under the supervision of the City Engineer or otherwise. (c) All legal work and opinions incidental thereto. (d) Ascertaining the ownership of lots or parcels of land included within the assessment districts. (e) Appraisals. (f) Advertising, mailing, posting and publishing all necessary notices. (g) Accounting, clerical labor and of books and blanks, extended or used on the part of the City Clerk or Treasurer in connection with the improvement. (h) Acquisition of rights-of-way, property, easement and other facilities or rights-of-way and all other expenses incidental thereto as required or provided by law of the State of Washington and ordinances of the City of Bellevue shall be allocated to and borne by the properties within the improvement district, in accordance with the special benefits conferred, and the costs assessed against the individual lots in accordance with the statutory zone and termini method. Those costs mentioned above which are incurred for the benefit of one particular unit, shall be charged to that unit only. Those costs mentioned above, which are incurred for the benefit of the entire improvement shall be pro-rated to the several continuous units according to the following formulae: The portion of the expense involved to be charged to a continuous unit shall be to the entire expense, as the total cost of the continuous unit bears to the total cost of the ~~four~~^{three} continuous units.

Section 5. The improvement shall be paid for under the mode of "Payment by Bonds," by means of assessments against the various properties as aforesaid, all as provided by statute and ordinance for local improvement districts.

Section 6. That all persons who may desire to object thereto are hereby notified to appear and present such objections at a meeting of the City Council, or a committee thereof, to be held in the City Hall, 835 - 106th Avenue N.E., Bellevue, Washington, at 8:30 o'clock P.M., on the 28th day of November, 1961; which time and place is hereby fixed for hearing all matters relating to said proposed improvement, and all objections thereto, and for determining the method of payment for said improvement.

Section 7. That the City Manager shall submit to the City Council at or prior to said date, all data and information required by law to be submitted.

PASSED by the City Council this 24th day of October, 1961, and signed in authentication of its passage this 24th day of October, 1961.
